Church Refurbishment

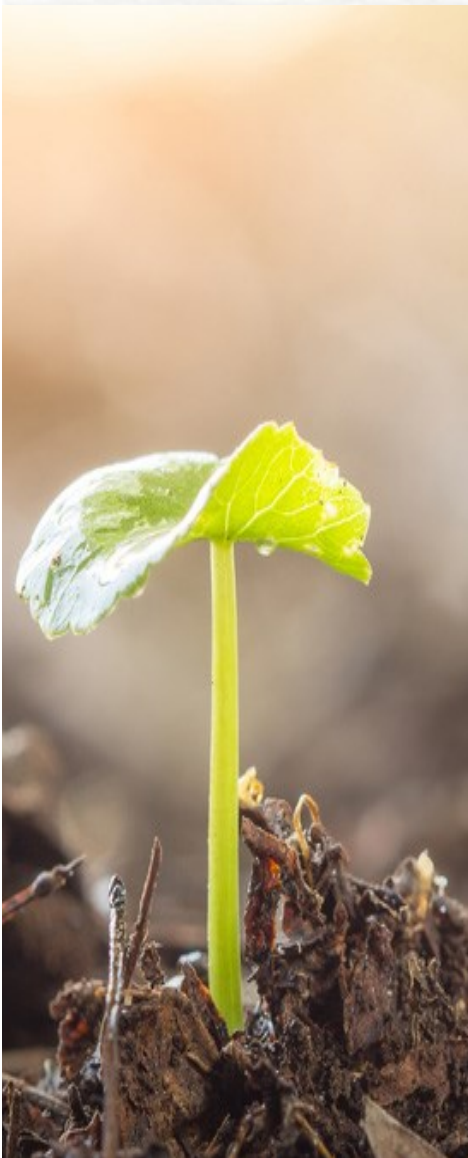

You have probably noticed that our church buildings look a bit different today!

We thank God for the wonderful new environment we have for worship and ministry. There is still a bit of “finishing off” to do – including completing the roof tile replacement, held up by delays with the “spire window” – but we are “almost there”! And what a wonderful, community-building effort!! Thanks so much to all who’ve volunteered time and skills and hard work over the last 6 weeks ... It’s been an outstanding effort! Special thanks to Maria Powell and Josh Sanford who have co-ordinated and led the project, and who have invested hours and days and weeks, going “above and beyond” ... We appreciate all you’ve done!

We are planning to “rededicate” our buildings to the glory of God and the work of His Kingdom on Sunday March 3rd – when hopefully, everything will be completed!!!
