STRENGTHS-BASED PARENTING WORKSHOP

see the world through your child's eyes

“ Know your kids. Don't just know what they like, know what makes them tick. Know what they look forward to every day and how they express and receive love. **Know their strengths.** ”

Maggie McMahon

Learn to see the world through your child's eyes and their behaviour with the best possible intent. When we reframe how we see their behaviour, we see the uniqueness in how they think and interpret their world.

We know that leaving your child at Kids@9.45 for the first time may be challenging. You are welcome to stay with your child until they feel comfortable and familiar with the space and our team.
