Walking with Jesus – Together!

It is tough living for God in today's world, especially at school. So how do we live differently to the world around us? In Romans 12:2 it says, 'Don't conform, but be transformed.' The secret is to let God transform us from the inside out. God has a great plan for our future. The simple truth is that when we live life with Jesus, the way we live may be different to the rest of the world, but it will be worth it.

Jesus spoke to the people. This time he said, "I am the light for the world! Follow me, and you won't be walking in the dark. You will have the light that gives life."

JOHN 8: 12

Family Discussion

Have you ever seen a lighthouse? Where would you normally see a lighthouse?

Do you know what a lighthouse is for?

A lighthouse is a tall building that has a light near the top. Lighthouses are built on the edge of an ocean and protects ships from crashing into shore by sending the light out towards the sea. The light usually turns in a circle and never turns off so that ships see a flashing light which guides them safe to shore.

Jesus came to earth so that He could be the light in our lives that will always lead us safe to shore. Jesus is the light of the world. When we choose to follow Him he lights the way to a life full of adventure, fun and freedom.

What are some of the words Jesus said about how to live?

Have you ever had to choose between doing what your friends wanted and doing what Jesus would want? Talk about it.

What's one thing you can do this week to live like Jesus?

Prayer Prompt

Thank you Jesus, for teaching us how to live. Please help us to remember to listen to your words and put them into practice. Help us to follow your light that will chase away the darkness and always lead us home to you. Amen.
