Walking with Jesus – Together!

*As I read the Bible, especially the Gospels, I see a God who heals. Jesus taught about healing and he went out and healed people. And Jesus sent his disciples out to pray for healing. Throughout the history of the Christian church there have been examples of healing and miracles. It just didn't stop with the disciples in the early church. So does God heal today? The answer is yes!*

*There is no certain way to pray for healing. Jesus did it in different ways. There are no special prayers to pray – remember it is God's power, not our words, that heals. All of us can pray for healing. Keep it simple. Pray as Jesus did with love and compassion.*

## Mid-Service Activity

### *Blindfolded Lego*

Experience what it is like to build something without being able to see. What can you make?

## Colouring and Puzzle pages

The following pages 2-3 can be printed onto A4 paper for doing during the service or at any time during the week.

Jesus Heals a Man Born Blind  
John 9

## HELP THE BLIND MAN FIND JESUS

To do this puzzle, you must shut your eyes and let someone else tell you where to draw the line, as you go through the maze!

## Family Discussion Questions

How would you feel if a stranger put mud on your eyes?  
Why do you think the neighbours didn't believe he was the same man?  
Why didn't the man know it was Jesus who healed him?  
What other story about God is so amazing that people found it hard to believe?

## Questions just for Younger Ones

Close your eyes and imagine you can't see.  
How does it feel to not be able to see?  
How would the man feel after Jesus fixed his eyes?

## Mid-Week Challenge

Blindness challenge: Put on a blindfold and challenge yourself to complete as many everyday activities as you can without sight (e.g. eating a meal, getting changed, tidying your toys, writing your name, drawing a picture).
