

Easter may look a little different this year...

Remember the first Easter. Jesus' friends were hiding in a locked room. They were afraid. But Jesus wasn't bound by walls or isolation or fear. He came right on in, and sat down and had a meal with them. No big church meeting, no rousing sermon, no large worship band, just a small group of people gathered in a room waiting for their friend to appear. We've got this...! Easter Sunday | 12 April

You can read today's story in *The Jesus Storybook Bible* pages 310-316, or in the Bible in Mark 16:1-8.

Three days later, after Jesus died on the cross, God revealed his wonderful surprise. Jesus was not dead anymore, He was alive! God could take the worst event ever, and turn it for good.

We celebrate Jesus today! As we celebrate Easter in our Bubbles, how can you make this day special?

Look up! to see what God has to say

Draw a picture to show how you feel about this good news, or colour in the 'Alleluia poster'. Stick it up somewhere you can see it each day, to remind you that Jesus is the Risen King!

Look in! to see how to live out the story with faith-filled friends

Easter Sunday is a day of celebration, hope and joy! Have fun with your family today, celebrating that Jesus is alive! Bake some Easter Treats! Make Hot Cross Buns or Easter French Toast - that sounds delicious! Play some party games, make some decorations, and dress up for a Bubble meal.

Look out! to see how we can share this story with others

When Mary found out the news, she ran as fast as she could to tell everyone. Her heart was full of joy! Grab some chalk and decorate your driveway or the footpath outside your house. Include a 'Happy Easter', a Bible verse or some drawings! Make Easter joyful for your neighbourhood.

A blessing for your Bubble Christ is risen!

He is risen indeed!
Jesus, you are the Risen King! May that truth be in our hearts all the days of our lives, and may we know the hope, peace and freedom that this brings.
AMEN

Christ is Risen! Christ is Risen Indeed!
