30 MINUTES A DAY: LET'S DO IT!

It only takes 30 minutes a day. If you can set aside a specific time every day that helps develop an habitual rhythm. On busy days you can just listen to it in the car or at lunchtime. The important thing is to develop the habit.

Ideally start on January 1st , but you can actually start at any time of the year.

“We are now in our third year of doing the HTB Bible in One Year and every day God reveals fresh new insight, wisdom, encouragement and challenges. It really is a blessing.”

in 2021

WHAT WE ARE ASKING

As part of our 'Discipleship and Growth' priority area, in 2021 we want as many of us as possible to participate in reading the Bible every day throughout the year.

To have us all reading the same Bible Passages everyday, we are asking that we follow the Holy Trinity Brompton (HTB) Bible in One Year (BiOY) readings.

This version of the Bible in One Year (BiOY) is available online. This leaflet will show you where to find it, how to access it, how to use it and how much time it will take.

1. WHERE TO FIND IT

Go to the website www.bibleinoneyear.org and you can either access it from the website or click on the link to the 'app store' or 'google play' and download the app.

2. A DAILY DOWNLOAD

Each Day a different Bible in One Year Reading is loaded . You click on it and you can either read it or you can listen to it as audio , or do both together.
