It's been a great start to the term engaging children in experiences that help them to understand the character of God more deeply. If anyone is keen to be part of the team, we would love to have more volunteers. Please reach out to Shannon

## WELCOME TO AUGUST!!!

WBC offers something for everyone with a variety of opportunities for children and youth to connect with others and develop in their relationship with Jesus and it has been awesome getting all our programmes up and running again after a tumultuous couple of years.

We are thankful to the wonderful volunteers that make this happen and we are now hopeful in getting our 'First Steps' reestablished which caters specifically to 0-3 year olds.

A range of stimulating age appropriate resources are set up in the lounge and volunteers are rostered once or twice a month.

If you enjoy engaging with infants and toddlers, and would love to enable parents in attending the 9.45 service...**This could be YOU!!!**

Please contact Shannon for more details. [shannon@wbc.org.nz](mailto:shannon@wbc.org.nz)
